#### **Questions for Reflection**

What questions do you have about the Clearness Committee?

Could you see yourself participating in a Clearness Committee?

How might you benefit from a Clearness Committee?

Would you consider serving on a Clearness Committee as a listener?

If you were to use a Clearness Committee to come to a decision or discern a way forward, what issue would you bring to the committee?

#### **Reflection for the week:**

Read Acts 2:42

Reflect on how the first-century Christians placed God at the center of their communal life. How do you place God at the center of your life?
